Dear Mr. Doyle

Federal Communications Commission
Office of the Secretary

I am writing to you to see if there is anything that can be done to resolve the almost 14 year old 90-66 Docket, involving Steelville, Missouri, Warsaw, Lincoln, and Osage Beach Missouri. (RM-7139, RM-7368, RM-7369).

The latest Memorandum Opinion and Order was Adopted on February 28, 2002 and Released March 25, 2002.

Since that time another, I believe 4th maybe 5th recon was submitted by Steelville, Missouri.

Nothing has happened since that time.

We believe that this proceeding has been put on the back burner or shoved into a corner so no one has to deal with it.

There are station that have gone on the air all around this proceeding that would never allow any type of reversal of the original opinion issued by the commission.

PLEASE TAKE THE TIME AND LOOK INTO THIS GROSS MISABUSE OF PROCESS !!!!

Thank You,

Kenneth W. Kuenzie
